Re: 2016 Compensation for Mayor and Councilmembers

Pursuant to Citizens Salary Setting Commission Bylaws, Article IX, the Citizens Salary Setting Commission will make no recommendations regarding compensation adjustments to the Modesto Mayor and City Councilmembers for 2016 effective immediately. The Commission was unable to meet during the time recommended by the City of Modesto Charter Section 703. The Commission's next scheduled meetings will begin in 2018 with 2 new members to be appointed by the Mayor and Council: (i) a retired Stanislaus County Judge as chairperson; and (ii) one member from a bona fide local nonpartisan political organization, with tax-exempt status under Section 501 (c) (3) of the Internal Revenue Code, dedicated to encouraging informed and active participation in government.
