WHEREAS, the Tivoli Specific Plan is comprised of nine Area Plans subject to review and approval by the Planning Commission, each Area Plan is denoted to ensure that the circulation, infrastructure, land use, density, project design and other specific plan provisions are provided for each Area Plan as required by Section 9.4.1 of the Tivoli Specific Plan; and

WHEREAS, Section 9.4.1.2 of the Specific Plan requires the Commission's review and approval of a Final Development Plan for new residential development within the Specific Plan involving small-lot single-family residential uses with a tentative map, which may be approved by the Commission after or concurrently with the approval of an Area Plan; and

WHEREAS, an application for the Olivewood Final Development Plan for 74 small-lot single-family residential lots, 17 landscape/paseo lots, and 12 common driveway and utility easement lots, within Area Plan No. 6, located on 9.41 acres between McReynolds Avenue and Roselle Avenue north of Sylvan Avenue was filed by Mid Valley Engineering on October 19, 2021 and revised on May 18, 2022 in accordance with Section 9.4.1.2 of the Tivoli Specific Plan; and

WHEREAS, said application was made concurrently with an application for the adoption of Area Plan No. 6 of the Specific Plan (Project ID: AREA-21-002, and a Vesting Tentative Subdivision Map (Project ID: TSM-21-006) to divide 9.41 acres located between McReynolds Avenue and Roselle Avenue, north of Sylvan Avenue, into 74 single-family residential lots and 17 landscape/paseo lots, 12 common driveway and utility easement lots, and one Remainder lot, within Area Plan No. 6; and

WHEREAS, a public hearing was scheduled for the May 6, 2024 Planning Commission meeting, and after the publication of the public hearing notice for the above hearing, the developer submitted a revised Vesting Tentative Subdivision Map for review by staff and outside agencies, and as a result Planning staff requested that the hearing be continued to the May 20, 2024 Planning Commission meeting; and

WHEREAS, to allow for additional time to review the revised tentative map, at the May 20, 2024 Planning Commission meeting Planning staff requested that the matter be continued to the June 3, 2024 Planning Commission meeting, for which the Commission made a motion to continue the item to the June 3, 2024 hearing; and

WHEREAS, on May 29, 2024, Planning staff received a request from the developer for continuance of the matter to a date uncertain, for which the Commission made a motion at the June 3, 2024 hearing to continue the matter to a date uncertain; and

WHEREAS, on October 28, 2024, the developer submitted a revised Vesting Tentative Subdivision Map for review by staff and outside agencies, and based on comments provided, the developer submitted a revised Vesting Tentative Subdivision Map on February 7, 2025; and

WHEREAS, a public hearing was held by the Planning Commission on April 21, 2025, in Chambers, Tenth Street Place, 1010 Tenth Street, Modesto, California, at which hearing evidence both oral and documentary was received and considered; and

WHEREAS, the Planning Commission certifies it has received and reviewed the Initial Study, Environmental Assessment No. EA/C&ED 2022-01, which concluded that the project is within the scope of the Tivoli Specific Plan Final EIR (SCH No. 2005072125) and that pursuant to Sections 15162, 15168(c) and 15182 of the CEQA Guidelines, no new environmental review is required.

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission that it hereby finds and determines as follows:

1. An Initial Study was prepared by the City of Modesto that analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Tivoli Specific Plan Final EIR and whether the subsequent project was described in the Final EIR as being within the scope of the report.
2. As per Sections 15162, 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this project is within the scope of the projects covered by the Tivoli Specific Plan Final EIR and no new environmental document or findings are required by CEQA.
3. The project will have no new effects which were not examined in the Tivoli Specific Plan Final EIR and no new mitigation measures would be required.
4. There are no substantial changes proposed in the project, which will require major revisions of the Tivoli Specific Plan Final EIR.
5. There are no substantial changes occurring with respect to the circumstances under which the project is being undertaken which will require major revisions in the Tivoli Specific Plan Final EIR.
6. No new information, which was not known and could not have been known at the time the Tivoli Specific Plan Final EIR was certified as complete, has become available.
7. There are no specific features that are unique to the proposed project that require project-specific mitigation measures. Accordingly, the certified mitigation measures identified in the Final EIR will be sufficient for this project.
8. All feasible mitigation measures set forth in the Final EIR which are appropriate to the project shall be incorporated in the project.
9. The Initial Study, Environmental Assessment No. EA/C&ED 2022-01 provides the substantial evidence to support findings 2-8, noted above.

BE IT FURTHER RESOLVED by the Planning Commission as follows:

That a Final Development Plan for the proposed Olivewood development, as revised on May 18, 2022 and described in **Exhibit "A," attached** hereto and incorporated herein by reference, be approved subject to the following conditions:

1. The Olivewood Final Development Plan shall not be in full effect unless and until the Planning Commission approves the proposed Area Plan No. 6 (AREA-21-002) as required by Section 9.4.1 of the Tivoli Specific Plan.
2. All development shall be consistent with the approved Final Development Plan titled "Final Development Plan, Olivewood submitted on October 19, 2021 and revised on May 18, 2022, as approved by the Planning Commission on April 21, 2025.
3. Except as amended herein, or by reference, all development including street and infrastructure improvements, and mitigation measures from the Tivoli Final EIR, shall be in accordance with the Tivoli Specific Plan and Area Plan No. 6 (AREA-21-002), and the Vesting Tentative Subdivision Map of Olivewood (TSM-21-006) as set forth in Planning Commission Resolutions No. 2025-xx and 2025-xx, adopted on April 21, 2025.
4. Siting of residences shall be in accordance to the Development Standards for Medium Density Residential uses for lots less than 3,000 square feet in area as specified in Chapter 4 of the Specific Plan. Siting shall provide for a minimum of 300 square feet of private open space per lot, with minimum dimensions of 10-feet by 15-feet.
5. Upon development of the residential lots, developer shall provide site plans and building elevations with a broad variety of architectural styles consistent with the Design Guidelines and Standards of the Tivoli Specific Plan, to the satisfaction of the Director of Community and Economic Development or designee, prior to the issuance of a building permit.
6. Prior to Certificate of Occupancy of any structure, fences and walls shall be installed in accordance to the design standards of the Tivoli Specific Plan, Section 5.7, Community Wide Walls and Fencing Guidelines and Standards.
7. Any public improvements that are missing damaged or not to current City standards shall be designed per City standards in accordance with City Code (Article 7-1.701), standards and specifications. Such improvements may include, but not be limited to curb & gutter, drive approach, sidewalk, ADA access ramps, fire hydrants and street lights. All public improvement plans shall be designed by a Registered Engineer, reviewed and approved by the City Engineer prior to issuance of an Encroachment permit.
8. Improvement plans for required improvements shall be prepared by a Registered Civil Engineer and submitted for approval by the Public Works Director or designee. All improvements shall be constructed in accordance with the approved plans.

9. The project shall be subject to all conditions, requirements and recommendations from all other affected departments/agencies, provided on the **attached** reports/memorandums.
10. All existing underground and aboveground utilities, irrigation, and electrical lines shall be protected, relocated, or removed as required by the utility companies and the City Engineer or designee. Easements for utilities, irrigation and electrical lines to remain shall be reserved as required.
11. All landscaping, fences and walls shall be maintained and the premises shall be kept free of weeds, trash and other debris.
12. At the time of issuance of a building permit, the developer shall pay development impact fees at the established rate. Such fees may include but are not limited to, sewer and water connection fees, community facility fees, building permit and plan check fees.
13. Prior to start of vertical building construction, all-weather, hard-surfaced roadways shall be constructed and maintained free of obstructions at all times during construction as required by Director of Community and Economic Development.
14. The property owner and developer shall, at their sole expense, defend, indemnify and hold harmless the City of Modesto, its agents, officers, directors and employees, from and against all claims, actions, damages, losses, or expenses of every type and description, including but not limited to payment of attorneys' fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds whatsoever. The City of Modesto shall promptly notify the developer of any such claim, action, or proceeding and shall cooperate fully in the defense.

BE IT FURTHER RESOLVED that the conditions of project approval set forth herein include certain fees, dedication requirements, reservations requirements, and other exactions, and that pursuant to Government Code Section 66020(d)(1), these conditions constitute written notice of a statement of the amount of such fees, and a description of the dedications, reservations, and other exactions.

BE IT FURTHER RESOLVED that the applicant is hereby further notified that the ninety (90) days approval period in which a protest of these fees, dedications, reservations, and other exactions, pursuant to Government Code Section 66020(a) can be filed, begins on April 21, 2025, and that if a protest is not filed within this ninety (90)-day period complying with all of the requirements of Section 66020, the applicant will be legally barred from later challenging such exactions.

BE IT FURTHER RESOLVED by the Planning Commission that the Secretary of the Planning Commission is hereby directed to file with the Stanislaus County Clerk a Notice of Determination in regard to the environmental impact of the proposed project.
