In anticipation of road construction delays on the Kiernan Ave./Highway 219 interchange, the Modesto Regional Fire Authority has relocated from their current location at fire station 12, 4820 Salida Blvd. to fire station 14 at 5551 Ciccarelli Rd. This relocation will remain in effect until road construction has completed. Station 14 is approximately 1.4 miles to the northwest of station 12. The Modesto Regional Fire Authority will continue to monitor response times to ensure service levels remain within department standards. The Modesto Regional Fire Authority would like to remind everyone to test their smoke detectors monthly.
