

Fact Sheet

Tuolumne River Regional Park, Neece Drive Non-Motorized Boat Launch and River Access Project

Project Description

The Neece Drive Non-Motorized Boat Launch and River Access Project will provide new river recreational opportunities to the public including opportunities to offer commercial rafting. The Neece Drive project will include: a vehicle access road, concrete boat launch ramp, vehicle parking, picnic areas, solar lighting and native tree plantings. This important component is a significant destination among a series of recreational opportunities along the City's river front.
