environment and to  
enhance the quality of  
community life.”*

**Start Date: February 2018**

**Anticipated End Date: June 2020**

**Location: Modesto, CA**

#### **Project Summary:**

This project will improve the Transit Center and keep it in a state of good repair. Several projects in the building and throughout the property are planned.

#### **Project Description:**

The improvements focus on the interior/exterior part of the station and the Transportation Center grounds. They will upgrade the facility to make it safer, comfortable, and a pleasant place for people to come and use various public transportation modes, including ACE, StaRT and MAX. The improvements include lighting, cameras, fencing, and giving the facility a face-lift, with paint, facility repairs, upgraded and reconfigured public restrooms and better landscaping.

#### **Funding:**

This project is funded with grants from the Federal Transit Administration and the Transportation Development Act.
