EXECUTIVE SUMMARY

TABLE OF CONTENTS

INDEX OF FIGURES

INDEX OF TABLES

SECTION I SUMMARY	1-9
A. Summary	1
B. Project Location	1
C. Existing Land Use Information	4
D. Summary of Preparation Process	8
SECTION II INTRODUCTION	1-24
A. Project Description	1
B. Specific Plan Statement	1
C. Purpose and Content of the Specific Plan	2
D. Relationship of Specific Plan to City of Modesto Urban Area General Plan	3
E. Relationship of Specific Plan to City of Modesto Zoning Ordinance	6
F. Kiernan Business Park Development Standards & Design Guidelines	6
G. Kiernan East Development Agreement	6
H. Relationship of Specific Plan to CEQA	7
I. Relationship of Specific Plan to City Council Goals and Policies	7
J. Statutory Authority	9
K. Severability Clause	9
L. Existing Conditions	10
1. Existing Circulation	10
a. Existing Roads	10
2. Existing Utilities	11
a. City Water System	11
b. Modesto Irrigation District Water System	12
c. Existing Waste Water Collection, Treatment and Disposal	13

d. Storm water and Drainage Systems	14
e. Electrical Facilities	20
3. Property Ownership	20
4. Existing Environmental Conditions and History	20
a. Topography	20
b. Soils and Geology	20
c. Seismicity	20
d. Flood Designation	22
e. Drainage	22
f. Vegetation	22
g. Biological Resources	22
h. Williamson Act	23
i. Archaeological Resources	23
j. Historical Resources	23
k. Paleontological Resources	23
l. Hazardous Materials	23
m. Wetland/Habitat	23
M. History	23

SECTION III SPECIFIC PLAN ELEMENTS	1-42
A. Land Use Designations	1
B. Permitted and Conditional Land Uses	4
1. Business Park (BP) Area Permitted Uses	4
a. Allowable Uses	4
b. Conditional Uses	5
c. Ancillary Uses	6
2. Office (O) Area Permitted Uses	6
a. Allowable Uses	6
3. Regional Commercial (RC) Area Permitted Uses	7
a. Allowable Uses	7
b. Modifications to Allowable Uses	7
4. Medical Campus (MC) Area Permitted Uses	7
a. Allowable Uses	7
5. Medium High Density Residential (MHDR) Area Permitted Uses	8
a. Allowable Uses	8
6. Mixed Use (MU) Area Permitted Uses	8
a. Allowable Uses	8

b. Conditional Uses	8
C. Affordable Housing Strategy	8
D. Circulation Plan	9
1. Specific Plan Circulation Goal	9
2. Modesto General Plan Goals and Policies	9
3. Relevant General Plan Goals and Policies	9
4. Planned Area Wide Circulation	10
5. Pedestrian, Bicycle, and Non-Motorized Circulation	12
6. Public Transportation	14
7. Truck and Automobile Circulation	15
a. For connections to Kiernan Avenue and Pelandale Avenue east of Dale Road	17
b. For connections to Pelandale Avenue west of Dale Road	17
8. Public Streets	19
a. Street Sections	19
b. Primary Gateways	23
9. Off-Site Improvements	23
a. Streetscape Plan	23
E. Public Facilities Concept Plan	24
1. Specific Plan Public Facilities Goal	24
2. Modesto General Plan Policies	24
3. Wastewater Collection, Treatment and Disposal	26
4. Water System	27
5. Drainage and Storm Water Quality	32
a. General Guidelines for Water Quality	33
b. Building Guidelines for Water Quality	35
c. Private Street Guidelines for Water Quality	38
d. Public Street Guidelines for Water Quality	38
e. Parking Area Guidelines for Water Quality	38
f. Landscape Area Guidelines for Water Quality	38
g. Dual-use Flood Control / Recreational Area	39
6. Utilities	40
7. Public Open Space	40
8. Police Protection	42
9. Fire Protection	42

SECTION IV DEVELOPMENT STANDARDS	1-32
A. Site Development Standards	1
1. Development Criteria	1
2. Development Standards	1
a. Required Parking and Loading Areas	2
b. Limited Vehicular Access on Street Frontages	3
c. Landscaping and Screening	3
d. Landscaping Front Side and Street Side Yards	4
e. Screening and Landscaping of Parking Areas	4
f. Screening and Landscaping of Outdoor Storage or Loading Areas	5
g. Screening of Refuse Areas	6
h. Screening of Utility services	6
i. Street Trees	6
j. Walls and Fences	9
k. Trash Enclosures	9
l. Signage	10
1) Business Park (BP), Office (O), Medical Campus (MC), and Regional Commercial (RC) area signage	10
a) Wall Signage for Multi-Story Office Buildings	10
1. Primary Tenant Identification	10
2. Secondary Tenant Identification	11
2) Medical Campus (MC) Area Signage	11
3) Medium High Density Residential (MHDR) Area signage	11
a) Freestanding Gateway Signs	11
4) Mixed Use (MU) Area Signage	11
a) Freestanding Business-Identification Signs	12
b) Wall Signs	12
c) Wall signage for Multi-Story Office Buildings	12
m. Agricultural Buffering and Transitional Uses	13
n. Lighting	13

B. Development Standards for Business Park (BP) Area	14
1. Setbacks, Lot Size and Building Height	14
a. Setbacks	14
b. Lot Size	15
c. Maximum Building Height	15
2. Additional Development Standards along M.I.D. Lateral No. 6 and Fleur de Ville Subdivision	15
C. Development Standards for Office (O) Area	16
1. Additional Development Standards along Fleur de Ville Subdivision	16
D. Development Standards for Regional Commercial (RC) Area	16
E. Development Standards for Medical Campus (MC) Area	16
F. Development Standards for Medium High Density Residential (MHDR) Area	17
1. Density	17
2. Lot Size	17
3. Building Orientation and Setbacks	17
a. Projections into Setbacks	20
b. Porches and Balconies	21
c. Alleys	21
4. Building Height	21
5. Community Connectivity	23
6. Buffering to Adjacent Mixed Use Area	23
7. Lighting	23
8. Landscaping	23
G. Development Standards for Mixed Use (MU) Area	24
1. Building Intensity	24
2. Interior Streets	25
3. Building Orientation and Setbacks	25
4. Building Height	26
5. Residential within the Mixed Use (MU) Area	29
6. Buffering Adjacent to MHDR	29

SECTION V DESIGN GUIDELINES	1-37
A. Design Guidelines for Business Park (BP) Area, Office (O) Area, and Regional Commercial (RC) Area	1
1. Site Planning Guidelines	1
a. Entry Drives	1
b. On-site Circulation and Access	1
c. Parking	1
2. Architectural Design	2
3. Building Massing, Articulation and Relationships	3
4. Exterior Paving and Site Furnishings	7
5. Landscape Guidelines	9
a. General Landscaping Standards	9
b. Sustainable Landscape Practices	11
6. Lighting Guidelines	12
B. Design Guidelines for Mixed Use (MU) Area	14
1. Site Planning	14
a. Goals of the Site Plan	14
b. Goals of the Plaza and Outdoor Areas	15
c. Site Plan Principals	15
1) Dale Road Frontage	15
2) Pedestrian Plazas	15
3) Pedestrian Connections to Medium-High Density Residential	16
2. Architectural Design	17
a. Variety	17
b. Variation for Tenant Identity	17
c. Façade Articulation	18
d. Pedestrian Scale	18
e. Special Treatment for Rear and Side Elevations	20
f. Loading Docks and Service Areas	20
g. Solid Waste, Recycling, and Energy Conservation	20
h. Roof Mounted Equipment Screening	20
i. Drive Thru	20
j. Building Materials	20
k. Roof Design and Materials	20

1. Building Colors	22
3. Landscaping	24
a. Street Trees	24
b. Parking Areas	25
c. Irrigation and Drainage	26
d. Fences	26
e. Pedestrian Circulation	26
4. Lighting	26
C. Design Guidelines for Medium High Density Residential (MHDR) Area	27
1. Site Design	27
2. Architecture	28
a. Intent	28
b. Building and Setback Variety	28
c. Garage Setbacks	28
d. Building Articulation	29
e. Details and Materials	29
3. Porches and Entries	30
4. Roofs	30
5. Projections and Bays	30
6. Garage Doors	30
7. Units Backing on Major Streets	31
8. Gutters and Downspouts	31
9. Mechanical	31
10. Recycling	32
11. Building Materials	32
12. Building Colors and Texture	33
13. Building Corners	33
14. Fencing	33
15. Gates	33
16. Parking and Storage	33
17. Lighting	34
18. Landscaping	34
a. Street Trees	34
b. On-site Open Space Landscaping	35
c. Other Residential Parcel Landscaping	35
d. Landscape Structures in Public Views	35

e. Landscaping as a Visual Screen	35
f. Irrigation and Drainage	36
g. Grading	36
19. Private Open Space	36
20. Public Open Space	36
SECTION VI COMMUNITY SERVICES AND UTILITIES	1-2
A. Public Safety	1
B. Schools	1
C. Libraries	1
D. Child Care	1
E. Solid Waste	2
F. Flood Control	2
G. Utilities	2
SECTION VII ENVIRONMENTAL RESOURCES	1
SECTION VIII IMPLEMENTATION	1-10
A. Overview	1
B. Modesto General Plan Policies	1
C. Overall Public Infrastructure	1
1. Streets	2
2. Sewer	2
3. Water	2
4. Storm Drainage	2
5. Utilities	2
6. Other Facilities	3
D. Facilities Master Plan and Infrastructure Financing Plan	3
E. Phasing/Sequence of Infrastructure and Improvements	4
F. Volunteer Land Dedication Program	4
G. Infrastructure Funding Mechanisms	5
1. Community Facilities Districts	5
2. Capital Facilities Fees	7
3. Water Fees	7
4. Sewer Fees	7
5. Developer Installation	8

6. Other Financing Options	8
H. Public Infrastructure Design Standards	8
I. Infrastructure Maintenance	9
1. Public Facilities	9
2. Private Facilities	9
J. Other Public Facilities And Services	9
1. Public Safety Services	9
2. Public Safety Facilities	10
SECTION IX PLAN ADMINISTRATION	1-8
A. Adoption	1
B. Specific Plan Amendment Procedures	2
1. Amendments and Administrative Modifications	2
a. Minor Amendments	2
b. Major Amendments	2
c. Criteria for Specific Plan Amendments	3
d. Interpretations	4
e. Specific Plan Reimbursement Fees	4
f. Severability	4
g. Indemnity	4
C. Environmental Review of Subsequent Project Approvals	5
D. Development Plan Review	5
E. Tentative Map	5
F. Conditional Use Permits	6
G. Public Dedications	6
H. Development Agreement	7
I. Appeal	7
J. Specific Plan Reimbursement Fees	7
