

CLEAN CALIFORNIA COMMUNITY DAYS

MODESTO MORE BEAUTIFUL

“SPRING INTO ACTION!” SATURDAY, MARCH, 18 2023

Take pride in your community with a local volunteer clean-up event!

Across the state, Californians are springing into action this March, participating in Clean California’s effort to beautify our state’s public areas.

Modesto residents can join by planning a clean-up or just picking up litter in their neighborhood. Together we can make Modesto more beautiful!

The City is here to help!

We can provide volunteers with:

- Litter pickers
- Safety vests
- Trash bags

We can also pick up any litter you collect!

For more information, call (209) 577-5494, email swm@modestogov.com or scan here:
